

Records Officer.

Roger said that there have been 30 people putting in scores this year, of which 21 have improved their handicaps. It hasn't been easy for longbow and barebow because they done the same as recurve but from April this year they will have their own classifications which should be a lot better. Apart from that everything else is ok.

Events Officer

Alex said that we had good shoots, only messed up by bad weather on one of them, apart from that was very pleased with how they went. Also thanked everyone for their help with setting up and everything else. He has put in some dates for this year's shoots.

Treasurers Report.

Financially another good year for the club.

Starting Balance £2,489,79

Current Balance £3,569,78

Please see a copy of the accounts for full details.

However I am sure we will need to purchase some additional equipment for the coming outdoor season.

The introduction of the standing order system for paying shooting fees, to which most members have signed up, has made the collection of fees much easier, this has also proved very useful as my work commitments have kept me away for much of the last four months.

Membership is currently 52.

Our Open shoot raised £211 for the club funds of which £69 was made from the raffle.

End of Season shoot raised £190 from boss hire only, as we did not run a raffle.

Beginners courses raised £600.

We made Charity Donations totalling £123 from our Have a Go Days which raised £395.

Secretary's Report.

Richard thanked everyone for the help he has been given, being new to the job, and hoped he had done it ok. Richard will also book the away events for those people who do not have access to a computer, or newcomers. But if they are not paid by the agreed date to be entered, you will not be entered.

Richard will also be doing the GNAS membership forms.

Other Business

24Hour Shoot

We have decided to try and do a 24hr shoot for the Air Ambulance Charity. S Bullman said that he could make up some sponsorship forms, we may also try to include a Have A Go Day with this aswell,possibly invite scouts, guides, cadets etc. If we cannot hold this event at Parkfield for any reason, then we shall see if it will be possible to do it at Skylarks. This idea was agreed ,so now needs to arranged.

Affiliation of Juniors

Parkfield juniors will now be written in as a sub club to Parkfield Archers and known as PARKFIELD HOTSHOTS.

Other Business

Sheena and Claire are going to do a newsletter for the club every couple of months, to keep people up to date with whats happening now or in the future (good idea).

Other Business

Alex has asked if it will be possible for some other people to hold a key for the equipment hut, because then when lots of us are at away shoots those who are regulars to Parkfield will be able to get in.

Re-election of Officers

POST	NAME	PROPOSED	SECONDED
CHAIRMAN	Angela Watson	Steve Bullman	Sheena Bush
