

**Parkfield Archers  
Annual General Meeting  
20<sup>th</sup> March 2009**

**Meeting started at 7-30pm.**

**Apologies:**

**Jo Housden and Jackie Whitwell.**

**Officers Reports**

**Chairman**

**In the last year the club has excelled in many ways. Various members have shot in local and national competitions. The juniors have as usual collected many medals and three national records, well done Sally, Peter and Harry, but watch out the adults are catching you up. Lets start at the beginning of the year, I have not listed everything the club has done, but included the highlights.**

**SCAS indoors held on HMS Collingwood, which when we got there was not a ship but it was in Portsmouth which is a town, but still a good couple of days out.**

**Norfolk Game Fayre when the helicopter made shooting somewhat challenging.**

**The County trials were next when Ken couldn't shoot as he had trapped his fingers in the car door a couple of days before.**

**Then Fakenham! When Ken couldn't shoot, because he fell off Harry's skateboard. I think this set a theme for the year for Ken. However it was a good weekend overall.**

**Next the 24hr shoot, I think this shows the club at its best. Everyone put in a fantastic effort from start to finish. By the end we raised a brilliant £1,500 for the Air Ambulance.**

**We also did a few Have A Go days, such as Wimblington Gala, the RSPCA, and raised £140 for charity at the Dunham Wood shoot.**

**December saw the juniors at Lillishall for the indoor championships, in which Sally and Peter became National champions**

**We must not forget that Parkfield Archers is so much more than shooting competitions and winning medals. For all the people that go to competitions and come away without any medals, I would like to say a big well done, because you put in as much time and effort as the ones who win. There are also all those Archers who just want to come and shoot a few arrows then have a drink and a chat after, I think as a club we cater for all, and apart from the football dates mix-up I think it has been a very good year.**

### **Secretary's Report**

**I would like to agree with every-one else by saying it has been a very good year, and may it continue. The only upset is the football on Sundays, but we are doing every thing we can. I would also like to thank Kathy and Steve H AND every-one else who have helped me through-out the year ( THANKYOU).**

### **Treasurer's Report**

**All in all it hasn't been to bad a year, we are down by £660 but taking into to account all the things we have paid out for this year it's not to bad. To see the accounts in full see James.**

### **Records Officer**

**We have had a lot of scores put in this year, and a lot of Archers improving there handicaps, with a few at 1<sup>st</sup> class and one or two even getting to bowmen, well done lets keep it going.**

### **Events Officer**

**Wayne is very happy with the events this year with some close contests and good attendances, in all sorts of weather, mostly wind and rain.**

### **Equipment Officer**

**John was sorry that he was not about for a while. All the equipment is ok, but we do need to make up another couple of dozen arrows for the beginners and the have a go days. Manea needs a net or something to go behind a target so that it can stop the arrows going to far through.**

### **Members Rep**

**Mainly all is ok, the only problem is the shooting on Sundays at Parkfield.**

### **Press & Fundraising**

**Sheena pleased with how it is going, made a lot of money for the club with the raffles that we did, also raised a load of money for the Air Ambulance. We also managed to get some pieces in the papers.**

### **Other Business**

**Shooting fees, it was agreed in the meeting that the shooting fee's should be put up this year. There has not been an increase since 2007 and with everything else going up in price we need to put the fee's up to cover everything. So as from the beginning of June could you please adjust your standing orders to the new amount shown on the letter you all received about the AGM dates etc. If you are not sure how much it will be please go and see James or contact a committee member.**

### **Parkfield Field**

**There has been a lot of concern about Sunday morning shooting at Parkfield, because of the clash of dates with the football. We are doing our very best to get it sorted out, but unfortunately there was only a verbal agreement, not a written one. So please bare with us we are doing as much as we can.**

### **Keys**

**Dave Hare has asked if it is possible for a few more keys to be handed out to other people so when lots of Archers are away at competitions**

**there will always be some-one down the field with a key. This was all agreed so James is getting a few more cut, we will hand them out to people as we get them.**

### **Beginners Coarse**

**Beginners will continue on Tuesday nights, this year it will be done on a rota system, so that a few more people will do it this time, and the more people do it the fairer it will be on the few that did it last year. Angela is going to draw up a rota.**

### **24hr Shoot**

**It has been agreed to do another 24hr shoot again this year, we have got to decide what charity we will do it for this year. It is going to have its own committee this year, so if you are interested please see Angela or Sheena.**

### **Re-election of Officers**

**The committee has remained the same except for the Press Officer who is now Kevin Charter so anything you want to put in the papers please go and see Kevin**

**End of Meeting  
8-45pm**
