

Parkfield Archers

Annual General Meeting

12th March 2010

Apologies

John Claydon and Julie Larham

Officers Reports

Chairmans report

I would like to thank you all for being here tonight.

This year has again been successful for the club as a whole and for individual archers. Many people have taken part in competitions with the greatest success of the year undoubtedly going to Peter who this year became Junior National Champion outdoors.

As usual the juniors have won just about everything they have entered, collecting medals trophies and National titles seemingly without much effort.

A short list of their success

Peter - National record New Warwick – National champ outdoors and GNAS Archer on the year

Sally - National record Junior Warwick – and GNAS Archer of the year

Raunds Portsmouth winning the team event for the 8th year in a row

Matthew – County Champion indoors

Also Harry, Andrew, Beth and Ken representing the County, alongside Peter and Sally

But some of our juniors are getting older. Ken and Peter will both be 18 in a few weeks and Mathew will be 18 by the end of the year. Well getting older happens to everyone and indeed for someone it is happening at this very moment. Today is Sophie's birthday.

But it is not only the juniors that win things –the adults did do their bit.

Adult success

Wayne - New Warwick national record

Alex, James, Paul and myself represented the County.

But thats enough of the things away from Parkfield. As always the Club is much more than just going to competitions. I feel that we do a lot for the local community. We run beginners courses which have always been well attended and I hope that we will continue to do this.

We do the Gala Day and dress up in silly outfits and walk round the village. Or is that just me?

We do the charity shoots with moneys this year going to Magpas and the Dunhams Wood shoot to help Jordan a young man who suffers from Proteus syndrome, the Fendis Golf Day and team building events for various organisations.

The twinning committee would like to take some archers to Morazzone in Italy later this year to shoot against their archers.

As with any successful club it is only as good as the people who run it. I have been very fortunate to have had a supportive committee and I hope you feel we have worked hard to promote the club and give you, the members, what you want.

The Club is so much more than just a few people turning up at a field and shooting a few arrows and I hope it will continue to grow and be successful.

Finally I would like to wish the new committee all the best.

Events

Wayne was happy with all the competitions that we held, and is pleased to say that the June Open 2010 is going to be Parkfield's first Record Status shoot. Also that the competition on May 23rd is going to have to be moved because this is the only date that we can do the Dunhams Wood shoot, so we may merge the Mark Langford shoot with the Team challenge later in the year.

Equipment

John Claydon was not able to attend the AGM, but Paul said that the field at Manea has now been re-marked out with both metric and imperial distances, and that as far as he is aware everything else is ok at the moment.

Treasurer

James is happy with the accounts, he said we have had a good year and if anybody wants to view the accounts just ask him and he will show them to you. Apart from that he doesn't think we need to increase the fees as yet.

Records

Roger said that we have had a really good year for scores and records, not just the juniors this year but also the adults. Roger was also pleased to tell us that Parkfield hold 74 County Records, so well done every-one.

Press

Kevin said all is ok with him as long as every-one else was happy with the press coverage we have had this year. I think we have had very good press this year.

Fundraising.

Sheena is very happy with fundraising this year especially as we have been in a recession but still managed to raise £1002 for the 24hr shoot, of which £501 went to Magpas and EACH.

Adult Rep

Paul said that every-thing was ok.

Junior reps

The junior rep said every-thing was ok.

Secetary

Richard said that it had been another very good year for the club, and this year there has been no problems with the football clubs, and that we have been able to shoot every Sunday .Richard also thanked every-one for the help they have given him again this year.

Election of Officers

Chairmam Ric Darville

Secetary Kevin Charter

Treasurer James Fletcher

Records Alex Fletcher
