

## **PARKFIELD COMMITTEE MEETING**

**28-9-07**

**In attendance.**

**S Bullman, Roger, Angela, Ken watson, Alex, Peter, Fletcher, John Claydon, Paul Whitwell, Geoff Searle and Richard Silvester.**

John Waters, came to discuss the end of season shoot. At the moment we have got about 69 people coming but we think their may be a few late comers. We have sorted out the lay-out of the field, and we have also decided to hold a raffle to keep everybody busy while we sort out the scores. We are still trying to sort out a burger van , but we will not know until Monday-Tuesday?. We will be marking the field out on Saturday evening, but a bit of help setting out the targets e.t.c, on Sunday would be much appreciated.

### Other business

Juniors club has now been sorted out, so they are now Parkfields Hotshots.

### Beginnners

We have now run out of light, so the beginners are going to finish on Sunday mornings ( when we have no competitions)

### Indoor shooting at manea.

Indoor shooting will start on Tuesday the 16<sup>th</sup> of october, it will be on Tuesday and Wednesdays. We need to get some butts over, and reinforce some of the wooden covers to avoid any damage being done, also we need to get the net up.

### Parkfield field shoot

John has booked the woods for the 25<sup>th</sup> of november for our club field shoot, the cost will be £3.00 per person.

### Packing away the equipment

In the last couple of weeks we have left pegs and ropes out on the field, which nearly messed up the grass cutter, so could we please make sure that we pick everything up.

### Membership forms.

Geoff has re-done the membership forms so they can be given to the beginners to be filled in then returned and processed, they will be kept in the beginners folder.

### Scores and records.

Roger said that september has been a bit quiet, but all up to date.

### Treasurer

Geoff said everything is ok so far.

### Manea field.

We still need to find a storage container or shed for manea field before the bad weather sets in, so keep a look out for a cheap shed.

### Mark langford cup.

Because of the accident with the butt and arrows, and the wind gaining strength, it was decided to cancel the competition. We are not going to re-arrange it this year. Sorry.

### 24 hour shoot.

We are going to try to organise a 24 hour shoot for next year, we might include a have a go with that, also try and raise some money for charity

## Equipment.

John said he and mike have been through all the butts and re-stringed them, he has also checked the other equipment and said it is all alright, the only thing we need is about a dozen arrows ,which is not that bad considering we have used them for all the beginners and the have a go days.

Next meeting to be arranged.
