Other Business.

Indoor Shooting.

We have been in contact with the RSPCA at block fen, because they have got a unit there that is big enough to do 20 yards, which will be a lot better for practicing for indoor competitions. They are willing to let us rent it from them for £15 per hour, so we are going to try and get it for the first Thursday in October, which is the 2nd. We will keep everybody posted on how it is going.

Other Business

End of Season Shoot.

The End of Season shoot entry fee will be paid for by the club,
There will be a raffle at the shoot, so please bring a prize.

The team challenge shoot on the 7th of September will also incorporate the Marc Langford Cup, being that it is a Bristol round and handicapped.

24hr Shoot.

We are going to get in touch with the Air Ambulance, so that we can present them with the money that we raised at the 24hr shoot. We will try and set a date and present the cheque at Skylarks being as the event was held there, we will let everyone know when it will be.

Manea Field.

Richard is to have a word with Chris about trying to get the grass cut a bit more often.

We also need to take some of the bent pegs down to swap with the straight one's so that no more people hurt their legs on them.

Other Business

The annual subscriptions are almost due again. They have gone up by one pound this year by GNAS so the new fees are;

Seniors £38-50

Juniors £7-50 (same as last year).

Richard is going to send a letter to all the people that do not visit the club very regularly.
