

Parkfield Archers  
Committee Meeting  
11-05-08

**In Attendance:**

Angela & Roger Watson, Sheena, Wayne & Sophie Bush, Leyton Mathews, Paul Whitwell and Richard Silvester.

Equipment

The shed at Manea field has now been finished, and the new foam targets have been swapped over with the straw ones. Richard is going to try to see Chris about trying to get the grass cut a bit shorter.

We also need to sort out the container at parkfield, before the Open to make sure we have everything we need, we will be doing this on Tuesday the 3<sup>rd</sup> June.

Events

Wayne has shown us the new medals that he is going to get, they look very good. We are going to hold a raffle for the open in June, so it would be good if everyone could bring a prize (thank-you).

We will be marking out the field on Saturday evening so any help would be appreciated.

24HR SHOOT

We need to get all the equipment that we are going to be using for the 24hr shoot down to Skylarks on the Friday, it would be nice if we could get a big trailer to do it in one go, we also need to sort out some way of holding up the net for the have a go stall (scaffold towers been suggested). We have got a couple of generators for the lights e.t.c.

Paul and Jackie are lending us their marquee so we will have somewhere to sit, eat and drink (but not to sleep).

The have a go stand will be open from 10 till 12 & 2 till 4 on Saturday, we will also bring a basic first aid kit. I hope there will be a few people who are not at work on the Friday who will be able to help set up as much as possible during the day.

Other Business

Manea hall has now been booked for Tuesday evenings starting in October.

Angela has sent out some letters for company's and schools to do a have a go evening.

End of Meeting
