Matters Arising

End of Season Shoot

Parkfield are again hosting the shoot on October 2nd, members to help mark the field up on the Saturday will be arranged by Kevin and Richard.

The entry for the EoS will be arranged by Richard and Kevin will arrange the invoice for use of field and targets etc..

Club members will be asked to supply prizes for the raffle.

Indoor Shooting

Indoor shooting is booked from 6th October on Mondays and Thursdays, The equipment will be moved over and setup on the 6th.

Richard will arrange purchase of the target faces needed for indoor shooting.

Open Shoot

The open shoot this year made a small loss, this would ideally be avoided in future.

AOB

Beginners

The issue of how many beginners have completed courses this year was raised, no committee member knew the precise number so it was decided to ask Rick for numbers.

Members Shooting Fees

There is a possibility that members shooting fees will have to be raised at the next AGM, Kevin will look into this and advise on any proposed increases.

The issue of the practice field at Manea was also raised, the committee felt that club members need reminding that if they are PAYG members that they should not be using the field, if they wish to use the field they need to be paying the monthly shooting fees.

Barnet Couriers Longbow Shoot

It was decided at the meeting that for the longbow shoot at the end of October, we would have some 3 zone targets made by painting unused target faces. This will make the shoot more challenging and enjoyable for those archers shooting it.
