Secretarys Report

A quote has been obtained to insure our club equipment. Copies of all the paperwork had been given to committee members. It was agreed by all present that we should proceed with this quote for our own insurance cover. Proposed by Steve Greene and seconded by Steve Bullman. Steve Bullman and Roger had both heard that SCAS may help out a club if equipment was lost but it was decided to still go ahead with our own cover.

The constitution needs some amendments making to it Steven H will pass these to Steve Bullman. The Child Protection Policy must be included in the constitution.

There was discussion about making new members aware of club constitution, safety overview and Child Protection Policy – it was decided to get new members to sign that they had received these documents.
