Skylark Weekend – Marquee is available if necessary from Manea. Steven H to book 1 x port-a-loo.

We need to visit Skylark to check on field layout etc

It was agreed to attend an event at Doddington on the 22nd July and run a Have a Go – This depends on us being happy with the layout/safety etc first.

Records

Discussed trophies in general. Need to have them for each bow type, raw and handicap scores.

Agreed to have trophy night towards end of January in future and the AGM in April. This was to avoid the long wait between winning and awarding the trophies.

To qualify for club competitions archers will need to submit a scored round at least once a month.

Junior Rep

There are still problems with some people's behaviour on the shooting line. Lots of members have never been given rules of shooting etc and it was agreed that these need to be handed out again.

AOB

We will have a float for Wimblington and Manea Galas. Wimblington theme is nursery rhymes – Junior Members will decide what to do.
