Records

Everything is up to date, and handicaps are up on the notice board at the Parkfield clubhouse.

Beginners Course

Angela is to continue with the beginners course, which will start on the 17th April 2007 until 23 October 2007 between the hours of 6-8pm.

This year the beginners course will be paid for in a lump sum form of £30 per adult and £20 per child.

Angela is also going to look into some sort of teaching programme.

Toilets to be opened by Ann at 5pm (MUST ring if not shooting that night)

Events

Alex has done a list of events for Parkfield but we have got to wait to see if the dates are all OK with Parkfield club. (To make sure there are no clashes with the football).

We are also talking about doing some activity at Manea and Wimblington gala. Also thinking about a 24 hour shoot.

Any away shoots will be posted on the notice board in Parkfield clubhouse, we may also get some sort of notice board to stand out where we shoot to inform the people who don't look at the clubhouse board.

Manea Practice Field

Manea field is to be grass seeded within the next 4 to 6 weeks (depending on the weather) It will be approx 30 metres wide and 200 metres long.

Parking is not a problem, there is water on site, but as yet there is no storage unit for the equipment. We also need to do a risk assessment. We will have to put some kind of warning archery in progress signs up. It's also been agreed that no beginners can use the field, until they have gained a little bit of experience, we will also need to get another metal detector, and some sort of marker flags in case of any lost arrows etc.

We are going to arrange a trip to the field so that we can see what the layout is like.

Roger has suggested that we have some kind of book, so we can report any loss or damage etc.

Outdoor Shooting

Outdoor shooting will start again on the 30th March 2007 from 5pm until dusk

Other news

It has been suggested that Parkfield Archery Club pay 50% of the shooting fee for the Lilleshall weekend for the junior outdoor event.

End of meeting.

Next meeting on March 30th 2007.
