

PARKFIELD COMMITTEE MEETING 30-1-09

In Attendance:

J Claydon, M Goodrum, Sheena & Wayne Bush, P Whitwell, Angela & Roger Watson, J Fletcher and Richard Silvester.

Officers Reports

Records

Roger is busy sorting out all the frostbite scores, and all the other scores.

Events

Wayne has sorted the dates for all the Parkfield competitions, the dates will be put on the web- site.

Treasurer

James said everything is all ok.

Equipment

John has sorted out all the arrows, but thinks we should get a couple more dozen because of the HAVE AGO DAYS. We also need to sort out some of the jelly bows because the servings are getting a bit too well used now.

Adult Rep

Paul has been asked if it is possible to put some foam on the back of the targets for those people with heavier poundage bows, he has also had complaints about the football messing up the Sunday morning shooting (unfortunately there is nothing we can do about.) We have done everything we can do, all we can do is hope it is different this year.

Other Business

Beginners

Beginners is going to stay on Tuesday nights, it has been decided this year we are going to use the rota system, so we will be looking for plenty of helpers this year and the people we can get to help means the less amount of times we each have to it. Plus last year certain people done it more times than they should have done, which isn't very fair on them. We will set a date to start the beginner courses later.

We have been asked to do a few HAVE AGO DAYS again this year,

June 28th Wimblington gala
July 10th Fendis
July 11th Manea gala
July 19th RSPCA (date yet to be confirmed)
It would be nice if we could get a few people to help with these dates.

Trophies

Could anybody who have trophies that need to be returned for the AGM please make sure that they get them back please.
