

Parkfield Archers
Minutes Of Committee Meeting 3rd September 2006

Meeting Started 12:00pm

Present Steve Greene, Roger and Angela Watson, Geoff Searle, Steven Hutchcraft.

Chairman

Steve will talk to Parkfield about conflicting dates with football matches. If matches are regularly going to be on Tuesday nights we may need to look at another night for beginners next year.

If conflicts do occur with dates we need to be civil to others when resolving any problems.

Secretary

Angela offered to deal with away events. Will collect fees; publicize events on notice board etc.

It was agreed that we would donate £250 to Milton Children's Hospice. This is money raised at "have a go days" and Skylark Weekend. Steven H to contact Hospice to arrange presentation of cheque.

Events

Mark Langford Cup is next weekend. Bristol 2 round for adults. Juniors will shoot to age, but any new archers should not be put off as they can shoot a distance they are comfortable with.

Records

GNAS have asked for anonymous handicap details of members to help them make future adjustments to the handicap tables. Roger will provide this and also ask them to consider Junior Longbow scores.

Equipment

Steven H, Geoff and Richard (Harry's Dad) have checked the condition of all the butts and stands. There are a couple of straw butts free to a good home, first come, first served.

Steven H to order 6 new butts from Clickers. Geoff to look at cost of fixing foam butts – has list of condition of each butt. Steve G will get spray paint so we can mark all the straw butts so can see condition easily.

Need to ask John Claydon if he is able to make 14 new stands for us please. Lots of the current ones are shot to bits.

We will buy new bows and arrows from Graham for have a go days next spring.

AOB

Reminder that we will clear out the container, and do some minor repairs on the 30th September. – Any helpers welcome please.

Beginners is full now. Anyone else wishing to do the course will be added to the list that Angela has and have to wait until next year. We will deal with the people already on the list by inviting them along on a few Sundays during November.

A reminder to all – People doing a beginners course must be supervised by a non shooting member at all times.

Beginners must only shoot for 6 sessions and then **MUST** join GNAS

Only full club members, or beginners taking part in their 6 sessions may shoot, otherwise this invalidates the insurance for Everyone. So we can have no visitors/guests unless they are GNAS members.

Angela to check local hall prices for Tuesday and Friday evenings 6-8pm during Winter.

Angela and Roger to ask Andy about the possibility of running a one off coaching session at Parkfield and then if members want further coaching they can go direct to him.

Andy will be organising courses for local clubs to allow members to train as level 1 coach.

Geoff, Roger and Angela have put their names forward. Roger is happy to give up his place if someone else wants it. Steven H expressed an interest depending on the commitment necessary.

Meeting Closed 1:30pm

Next Meeting will be at 7:00 on 29th September
