

PARKFIELD ARCHERS COMMITTEE MEETING 4-11-07

In attendance were:

Roger & Ken Watson, John Claydon, Alex & Peter Fletcher, Paul Whitwell and Richard Silvester.

Committee meeting has been called to try and sort out a few issues regarding Geoff the treasurer, who is resigning this year.

Secretary's comments

I have told the committee that Geoff is leaving this year, and wants to hand over his work as soon as he can (if possible before the A.G.M.). I have been in contact with Geoff to find out what it is he has been doing as the treasurer, He is going to do a breakdown and send it to me, but he hasn't had time to get it to me yet.

As far as I am aware he does a lot more than he should have been doing, so it was discussed that we try and do as much of the things that are not to do with the treasurer between other people.

I have volunteered to book away shoots for all the people who do not have access to a computer and those who have never done competitions before. I will enter anybody who wants to go to away shoots, and I will state a date that I will be sending the entry forms in, if I haven't been paid by the stated date and your name is on the list you will not be entered. We will put any entry form up in the clubhouse and we will also have a board staked outside whenever we shoot, so those who do not go into the clubhouse do not miss out. If you wish to enter any shoots fill your details on the entry forms and see committee member about payment. Geoff also does all the GNAS membership forms which could be done by someone else who could work with the treasurer with them.

Other business

Dunhams wood fieldshoot (parkfield fieldshoot) is on 25th november 2007. We need a few helpers on saturday the 24th to help set it up, if you can help please meet us at parkfield at about 9-30am then we can drive down to the woods to set it out. Because it is a fun shoot and all for charity there will be awards for 1st 2nd& 3rd juniors and 1st 2nd&3rd for seniors done on scores and not bow types.

It has also been suggested that we look into shooting at jonathans in witchford a couple of evenings a month perhaps sharing it with their members in order to cut the costs. That way we will be able to shoot 20 yards indoors but we need to find out a bit more information first.

For those people who do not know Steve Bullman had to go into hospital, so lets hope he has a speedy recovery

Next meeting to be arranged
