Everything is OK with the new payment methods etc.

Scores and Records

Roger is up to date with the scores and records.

Equipment

John has checked some of the equipment. There are a few things that we need to sort out, such as new string, and some new sights, and repair a few arrows, but he still has a few things to check yet.

Events

Alex has sorted out a date for the Jelly bow competition, which will be on the 19th August 2007

Junior

Juniors have extended the closing date for their logo competition, apart from that everything else is all OK.

Beginners

Beginners seem all OK. We have discussed about the jelly bows to be used only for the first couple of weeks, and then get the beginners to use the club recurve bows.

Other

Manea village hall has been booked (provisionally) for Tuesday and Wednesday Evenings

We are going to do a "have a go stall" at:

Wimblington Gala – 24th June 2007

Manea Gala – 14th July 2007

Mepal Sports field new pavilion opening – 28th July 2007

We are also doing a "have a go night" for some teachers from Cromwell community college on the 16th May 2007 6-8pm (**Which we need a few volunteers for**)

Steve Bullman is going to see how the practice field is getting on, as we still have quite a few things to sort out down there.

We are still trying to sort out somewhere to shoot 20 yards indoors.

End of meeting

Next meeting on the 25th May at 7:30pm
