

**Parkfield Archers**  
**Committee Meeting**  
**9<sup>th</sup> March 2008.**

In Attendance

Roger & Angela Watson, Sheena, Wayne & Sophie Bush, James Fletcher, John Claydon, Paul Whitwell, Mike Goodrum and Richard Silvester.

Officers Reports.

Equipment

John said that we need to replace some of the butts and stands, but we will do that at a later date. We also need to change the butts at Manea field, swap the straw ones over for the foam ones, but before we do this we need to repair the shed and finish it off (due to wind damage). Paul agreed to keep an eye on the equipment at Manea and sort out with John what needs to be done. Once the shed is done we can get everything down there. We are also going to get two dozen more wooden arrows for the beginners and have a go days.

Events

Wayne is going to get all the proposed shoot dates sorted out with parkfield so we can sort out all the club shoots. We are going to try and get the Open shoot for the 8<sup>th</sup> of June if possible, and get the 24hr shoot sorted for the 20<sup>th</sup> & 21<sup>st</sup> June, we are also going to see if we can fit in another Dunhams Wood shoot for the end of the year.

Treasurer

James and Geoff are in the middle of getting everything changed over at the moment, so nothing different to report yet.

Junior Reps

Sophie has asked if it will be possible to do the odd fun shoot for the juniors every so often, for sweets or chocolate for prizes.

Secretary

Apart from having to write the juniors club into the constitution, nothing different from AGM.

Press & Newsletter.

Sheena is going to do a news letter, it will have contact numbers on it for committee members, should you need to get hold of any of us. It will also have information about any up and coming events i.e. Away competitions, results and any other useful

information. She will be putting some kind of board up so you will be able see it and she will do a few copies out so you can take one home if you want to. There will be a map to show where Manea practice field aswell, so everybody can find it.

Other Business.

Beginners

We will be starting the beginners again this year on 15<sup>th</sup> April, on Tuesday evenings. This year it will be done a bit differently. Tuesday evenings will be beginners night, but parkfield archers can come to shoot but if we need help with the beginners we would like you to help out. We are also going to have it that no targets are set more than 40yards out, but you can shoot any face that you want. The reason for this is that the beginners are only doing a four week coarse this year and when they have done the four weeks they then move over to the regular archers side to shoot as improvers, this way they get to know the regular archers which makes it easier, and more comfortable for them to join in with us. They will also be able to get help and advice from the people they are shooting next to.

Keys

We are going to get some more keys cut for the equipment container so they can be given to a couple of people who usually only shoot at parkfield, this way when people are away at competitions there should always be someone there to open up the container.

Junior Clothing

We are going to get some clothes with the new juniors logo on, when we get them you can have a look and order whatever you want.

Outdoor Shooting

Outdoor shooting will start on FRIDAY THE 11<sup>TH</sup> APRILL usual time.

End of Meeting

Next Meeting 6<sup>th</sup> April
