

Parkfield Committee
Meeting
6-4-08

In Attendance:

Angela, Roger Watson, James Fletcher, John Claydon, Wayne, Sheena, Sophie Bush, Paul Whitwell and Richard Silvester.

Equipment

We are going to check out how many new targets we need and order them a little later in the season, along with the new wooden arrows. We also need to check the foam targets and repair them. A work party are going down to manea field to repair the shed. (Since the meeting the shed is now finished).

Treasurer

James has now become our official treasurer (so all money goes to him now). Everything is ok in his department at the moment. We have got to decide if we are going to shoot at Manea hall again when the indoor season starts , Also Manea hall is making a price increase this year.

Press & Newsletter

Sheena has finished the first Parkfield Archers newsletter(looks very good). She has now got an information board so if you have anything you want to put on it see Sheena.

Events

All the event dates are just about sorted out now, we are just waiting for confirmation about the date for the End of Season Shoot. Wayne is sorting out the entry form for the open shoot in June, he is also trying to sort out some new medals, he has found some ,but he is just checking prices before going ahead with them.

We are also going to try to do a summer competition for the juniors, it will be called the Summer Sizzler, run over a couple of months on handicap so it makes it more even for all the juniors, and hopefully get a trophy for the winner (but still to be sorted out as yet).

The Skylarks 24hr Shoot has been booked for the 20th & 21st of June, we need to sort out the problem of floodlighting at night and a few other details but will keep everyone posted. We are also going to invite some other local clubs to do some shooting for a small charge.

Other Business

Beginners is to start on the 15th of April

County trials to be held at jollys on the 26th April

Other Business

The new clothing has now been set up, we will hopefully get some by the time we shoot at Fakenham.

Fendis have been in touch with Angela about the Have ago Stand at there golf day, but because most archers will be at the fakenham competition we felt we couldn't do it. There is also a coarse coming up for helping the disabled to get into sport, which Angela said she is happy to attend.

Fendis have also asked if we are going to do a beginners coarse for the disabled, we decided we would do a one-off session rather than a few weeks, but we would need more helpers to try and keep it on a one to one basis.

End of Meeting
Next Meeting
11-5-08
