Officer's Reports

Scores and Records

Roger said that everything is ok at the moment.

Events

Wayne said that next years open competition is going to be record status, it will be the first Record Status shoot that we have done, so it will be a new experience for all of us, but we do not see any problems with it. Because it is our first record status shoot we are going to buy new trophies for the event. The field has been booked, so all we need to do for the moment is get the entry form sorted out and on-line as soon as we can.

Treasurer

James has said that everything is ok.

Equipment

We have brought some new centres for the foam targets, and Wayne has also made some up out of different types of foam for us to test and see if they will be any good. We have also been testing out a four legged target stand for the straw butts for the more powerful bows which seems to work ok, so we need to get them priced up to see if we can get some more. We have also got to sort out the bows for the beginners, what we have decided to do is each time you shoot indoors you pay £1 and at the end of the indoor season we are going to buy as many new bows as we can with the money, for both junior and adults.

## Other Business

We have got to check to see if we are able to continue doing raffles with our shoots, as it appears that we may need to get a licence to carry on with them.

We have also been asked how old a junior archer has to be in order to shoot on the line without being accompanied by an adult. It has been decided that if the junior has been shooting for a decent amount of time and obey the rules we do not see it being a problem as there will always be other people on the shooting line should they need any help. So anybody who wants to know if it ok, go and see a member of the committee.

We are also going to book the field for our club competitions next year, also book the field for a few whole days so we can practice some of the longer rounds.

## Christmas Party

This year we are going to go bowling rather than book a hall for a party, see Sheena for details

**IT HAS BEEN NOTICED THAT IT IS MOSTLY THE SAME PEOPLE THAT PUT OUT AND PUT AWAY ALL THE EQUIPMENT ON PRACTICE DAYS, AS FROM NOW ON IF YOU SHOOT CAN YOU PLEASE HELP WITH THE EQUIPMENT SETTING UP AND PUTTING AWAY PLEASE.**
